SUPPLEMENT TO  
REPORT NO.

25X1X

1. Shkoder

- a. The headquarters of the Shkoder military district is located in a building which formerly housed the Italian military district command; 200 men are on duty in the district headquarters.
- b. A battalion of infantry and about 700 men of the border guard are quartered in a group of buildings facing the military hospital, on the road leading to the airport. An additional 1,600 men of the border guard are billeted in buildings near the airfield.
- c. On the heights surrounding Shkoder are located six or seven anti-aircraft cannons, of Italian manufacture, caliber unknown.
- d. 600 Sigurimi men are quartered in a two-story barracks in the center of the city. About 500 men are quartered in a two story building in the Old City, near the bridge which leads to the cement factory; and 30 of these men the control point on the Tirana road. About 700 Sigurimi troops are billeted in a barracks near the Skanderbeg cemetery.
- e. The Shkoder air field was unused as of February 1951.
- f. A large building near the military hospital, originally used as a brewery, has been converted to a POL depot.

2. Tirana

- a. The Tirana garrison consists of between six and seven thousand men of the various arms and services.
- b. 14 kilometers from the city on the road to Durres is a large military food depot.
- c. Facing the air field is a POL depot.
